

HLB IN AFRICA

DRIVING GROWTH IN COMPLEX
NEW MARKETS

THE ADVISORY AND
ACCOUNTING NETWORK

Set on an exceptionally beautiful canvas, the African continent is the second fastest growing region in the world. Its rapidly growing consumer base of 1.2 billion people poses numerous opportunities for foreign investors. The increasingly educated middle class and ever-improving political landscape are highly attractive for businesses looking to expand into new territory. Especially for middle market businesses which have the upper hand over large corporations as they are often subject to fewer restrictions.

As business in the Africa is developing, so are we. HLB ranks among the top 10 global accounting networks in Africa. Our qualified local professionals offer expert customised services to a wide range of clients looking to do business in Africa.

CREATING VALUE FOR OUR CLIENTS

When it comes to creating value, it's all about the context. We understand that you don't do business in a vacuum. Our industry experts help maximise the potential of your business by analysing and advising on the entirety of the environment you operate in. From SMEs to large corporations, family businesses and private companies to government organisations and NGOs, we're proud to help a fast variety of clients grow their business.

ABOUT HLB

HLB is a leading global network of independent accounting and advisory firms. Established in 1969, we're now 25,000 partners and staff strong and truly dedicated to understanding business needs and maximising potential. Bind by our shared values and collaborative nature, we provide a full range of professional services in 150 countries through 700 office locations. It is our entrepreneurial and innovative approach that sets us apart. Through building strong relationships and learning what matters to you, we can help your business grow at home and across borders.
